download formats.

There are hundreds of books available here, in all sorts of interesting genres, and all of them are completely free. One of the best features of this site is that not all of the books listed here are classic or creative commons books.

ManyBooks is in transition at the time of this writing. A beta test version of the site is available that

The section on formatting different styles of papers is a fantastic reference and really makes it worth purchasing this reference! I'm happy that I kept this book, and recommend it to those needing an excellent "writer's resource" guide. I have found it to be a great go-to guide covering many different topics related to writing.
