Speed Writing With Fast Notes and Shorthand

Speedwriting, shorthand system using the letters of the alphabet and punctuation marks. The name is a registered trademark for the system devised in the United States by Emma Dearborn about 1924. In Speedwriting, words are written as they sound, and only long vowels are expressed. Thus, "you" is written u, and "file" is fil. Some letters are modified for speed (e.g., the i is not dotted).
