Hi, I am enrolling in Math for College Readiness on FLVS. I am really curious as to how difficult or rigorous this course actually is. The prerequisites for this course include Algebra II which I just finished on FLVS, but I found that it was a pretty tough course and it wasn't easy to finish. I finished with a B in the course just to compare with my potential grade in this course (Math for ...

Math for College Readiness FLVS? | Yahoo Answers

Math for College Readiness is a very easy course. With this being said, yes it wouldn't hurt to have another math credit; but to have another math credit in a math class that is very easy wouldn't help you either. If you *are* going to take a math class online, I
