Summary. A paper "Literary Criticism on The Star by H.G. Wells" reports that they made a mysterious and previously inaccessible world of space friendly and interesting for everyone. They gave people the stars and heavenly heights. The two greatest world fantasy writers were H.G. Wells and Arthur C. Clarke....

Literary Criticism on The Star by H.G. Wells Research ...

All we can say with assurance from the available evidence is that what most forcefully engaged the mind of H.G. Wells in the early and middle 1890's was the theory of evolution and its bleak implications for the future of Homo sapiens. He seldom if ever referred, at the time, to the burdens of Empire or the menace to England of foreign aggressors or the prospects for global conflict in an age of soaring progress in science and technology.
