I'm a big fan of the medieval theme and fascinated by all kinds of modular buildings, so I went to this idea pretty quickly. In total, the model contains approximately 2500 bricks and is divided into 4 parts, which you can take away in order to access the interior of the building and play with the Lego figures.

Medieval LEGO | No Starch Press

Medieval Towns are the last bastion of safety in an otherwise dangerous land. These walled towns appear in the Whispering Woodland biome, and are generally small villages made of a few small homes, shops and a keep, surrounded by a tall stone wall. There's generally only one intersection, and the town is mostly populated by random Town Men and Women with occasional visits by royalty, heroes ...
