## **Why Were Liberals A Political**

Liberalism, political doctrine that takes protecting and enhancing the freedom of the individual to be the central problem of politics. Liberals typically believe that government is necessary to protect individuals from being harmed by others, but they also recognize that government itself can pose a threat to liberty. As the revolutionary American pamphleteer Thomas Paine expressed it in ...

Liberal Party, a British political party that emerged in the mid-19th century as the successor to the historic Whig Party. It was the major party in opposition to the Conservatives until 1918, after which it was supplanted by the Labour Party. The Liberals continued as a minor party until 1988, when they merged with the Social Democratic Party to form what is now called the Liberal Democratic ...

Eric Alterman defends the word and ideology that a lot of conservatives have made a career out of smearing. Liberalism is much more than a label and Mr. Alterman does a good job of explaining the truth about the political themes and beliefs of liberalism and he is correct about Democrats preference for identifying themselves as "Progressives" rather than "liberals".

| **GQ**

Eric Alterman wrote what he apparently thought was a liberal answer to the likes of Rush Limbaugh. First of all, that defeats the liberal (even as opposed to formally Liberal or Progressive) thought processes. I didn't much care for Bush, but this book was relatively pointless and about as far from objective as books were at that time.
