The style of writing you will be expected to use for academic work is likely to be different to other styles you use every day. It is part of your academic training to learn how to write in this more formal style - it demonstrates discipline and thoughtfulness, and is important to communicate your ideas clearly.

Home - Academic writing - LibGuides at University of Reading

writing about the link between your experiences/practice and your reading writing in an appropriate style. As an example, consider the extract below, which is from a nursing student's reflective essay. Consider how the writer develops a line of reasoning based on their own thoughts and experiences, and then links it to wider reading.

A short guide to reflective writing - University of Birmingham

Abstract. I want to begin with a brief account of the circumstances involved in the construction and destination of this paper. For the past few years, I have been putting together a book about women's writing; more specifically, about the act of reading women's writing, and what might be at stake—critically, politically, historically—in such a project.
